Avenue des Arts – Gallery Opening

Avenue des Arts is opening its first gallery in Hong-Kong.

Located on the 12th floor of the Hollywood Centre, in the heart of Sheung Wan, the gallery will showcase solo exhibitions of emerging and established artists from all over the world. The majority of artists that we represent are French, but we also include pieces from American, Brazilian and New Zealand artists. We are offering you a chance to discover artists who work with various forms of media, from oil paintings, to sculptures, and photos. Amongst them will be works by Marcos Marin, Aurèle Lostdog, Nathalie Decoster, Gregory Berben, Rubem Robierb, and Jeff Callec.

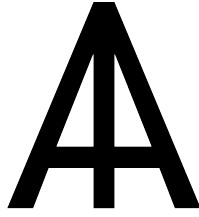

Avenue des Arts will open its doors to the public on the 5th of December, 2013 debuting OVERLAY, an exhibition showcasing works by four French artists, Gregory Berben, Jeff Callec, Tehos and the internationally-reknown sculptor, Nathalie Decoster who will display several exclusive pieces.

OVERLAY will run until the 15th of January.

Avenue des Arts was established in 2012 by Dimitri Lorin.

A tennis player become a gallery owner

Dimitri Lorin has always had a passion for contemporary art. But before immersing himself into the art world, at age 20, he turned to his other passion: tennis. He has been in the professional tennis circuit for more than 10 years as both a professional tennis player and as a coach. But when he had time to spare, he ran art fairs and dedicated himself to his paintings. In 2011, this curious and passionate self-taught artist made the decision to completely dedicate himself to art, turning to a career as an art curator. At the beginning of 2013, he moved to Hong-Kong with the aim of opening his own gallery.
